

## **Bathroom**

Mindful minute

Shave just a little off your shower

It's hot, take a cold shower

Make it sprinkle

Use a water-efficient shower head

Play detective

Find and fix leaks

Choose your level

## Laundry

### Do the smell test

You can wear those jeans, jackets and sweatshirts another day

Hang it to dry and reuse it next time

### Mix it up

Let your two laundry loads become one

Choose your level

## Kitchen

### Can I get a refill?

With a quick rinse, you can reuse your cup all day

### Fill 'er up

Run a full dishwasher

#### Dinner, one and done

One pot, less wash, save water - recipe ideas at *LiveH2OIb.com* 

Make sure to tally up your small wins to see how you score

Water wise = 1 to 5 drops

Water wiser = 6 to 10 drops

Water wisest = 11 to 15 drops

# Save a little – Win Big OUTDOOR WATER HACKS

## Garden

Shower your plants

Reuse leftover indoor water from rinsing, cooking and more

Mulch it up

Retain soil moisture around plants

Ditch that thirsty grass

Get \$\$ for going California Native with our conservation programs

## **Irrigation**

Get to know your yard

Learn your watering system and the controls

Put your sprinklers in time out

Cut back a minute to save gallons

### Track and save
